Quality Amusements at a Discount for Arlington Residents

OUR PROMISE

We are committed to providing the highest quality service to our customers. If you are not fully satisfied with any of our services, please give us the opportunity to resolve your concerns. We believe in continuous improvement of our services. Please send all written concerns to ajerry@arlingtonva.us.

How T.E.A.M. Works

T.E.A.M. is operated by teens who complete an Amusement Management training course.

Rules of the Game

- Rentals are available to Arlington residents only.
- Host is responsible for providing two non-staff adults and a suitable location.
- Host must provide an electrical outlet or generator. A gas powered generator is available for rent from T.E.A.M.
- Requirements for operation are discussed with you before the event takes place. T.E.A.M. determines the best location for the amusement. Location is determined by the desired equipment, its size, and the site.
- T.E.A.M. sets up the equipment and makes sure it is suitable for everyone's safety. At the end of an event, the equipment is taken down within 20 minutes.
- After all the fun is done, equipment is packed and T.E.A.M. leaves customers with a lifetime of memories!
- All prices reflect up to a four-hour rental; additional time is charged at $25 an hour.

Team Rules!

Attendant / Operator Hosts are responsible for providing two adults to operate the equipment once staff sets it up. These monitors must be present at the time of delivery to receive proper training.

If you want T.E.A.M. staff to stay for the duration of the event and monitor the equipment use, there is an additional $15 per hour per person charge. Depending on the size of the equipment or event, some events will be required to hire a minimum of two staff. As T.E.A.M is operated by local Arlington teens, there are times when attendants may not be available.

Space for Equipment It is the customer's responsibility to measure the space; if equipment is delivered and doesn't fit, the job is canceled and the deposit is forfeited.

Weather In the event of inclement weather, prior to set-up the lessee may reschedule the rental to any date that the rental equipment is available, or request the deposit back. However, if the equipment is set up and inclement weather occurs, the equipment must be taken down. No refund is provided if inclement weather occurs after the equipment is set up.

Place Your Order!

Frequently Asked Questions

Do you deliver and set up?
Absolutely! T.E.A.M.'s courteous drivers will deliver and set up each piece of equipment and ensure that it is clean and in good working condition prior to the start of the event. Staff will come back to take it down after the party is over. Set up normally takes about 10-15 minutes.

What kind of power is required?
Our inflatables plug into a standard 110 household outlet. We will supply a 100 foot cord. Nothing else can be plugged into the outlet we are utilizing. Equipment can be set up at a park or place without an electrical outlet if a generator is present and working. A gas generator can be rented from T.E.A.M. for $60.

What type of surface can the inflatables be placed on?
The best surface is a level grassy area. However, we can set up on concrete, asphalt or bark. Please specify when ordering which surface we will be setting up on and we will make sure we utilize the proper anchors for your event.

How can I contact T.E.A.M. on the day of delivery?
Easy! Just call 571-243-2119 to contact staff on duty. This phone is only used during scheduled event times.

Are you insured?
Yes. Arlington County is self-insured.

Can I have my party at a park?
Yes. Moon bounces are great for parks. We can deliver our equipment to any Arlington County Park; however, it is up to the host to secure the appropriate County reservation for the site. Call 703-228-1805 to reserve a park or County facility or email facilitiesscheduling@arlingtonva.us.

How do I reserve my moon bounce?
Simple! Just dial 703-228-7780 or fill out our Reservation Form at the end of the brochure and fax to 703-228-5926. Reservations are confirmed by phone, fax or e-mail.

What if I have to cancel?
No problem if you cancel at least four days prior to the event. If you cancel within four days, you will lose your deposit unless the cancellation is due to inclement weather.
