

# Women Leading Government Roundtable Event

## Challenges Women Face in Government

WLG offers another networking opportunity to help women succeed in public service. This Roundtable Event is an opportunity to share your experiences; listen to the stories and challenges of others; and exchange ideas with your colleagues in a small group setting. The opportunity to network with other women leaders can be very influential in your career and success as a leader - don't miss the chance to meet new people and gain valuable insight!
