SESSION SPEAKER
Application Form 2018

Thank you for expressing interest in speaking at ICMA's 104th Annual Conference in Baltimore, Maryland, on one of the finalized educational session panels developed by the 2018 Conference Planning Committee. Your speaker proposal must directly relate to one of the sessions listed under the "Call for Speakers" tab on the conference website, icma.org/conference. **Proposals for new sessions are not being accepted at this time.**

Please complete this form electronically and submit via email to callforspeakers@icma.org. Please submit separate speaker applications for each session for which you would like to be considered. All applications must be received by **Friday, March 23, 2018.**

Conference staff and members of the Conference Planning Committee will select applications of interest and contact potential speakers for more information. Please note that application submittal does not guarantee selection. Questions can be directed to callforspeakers@icma.org.
