## **ABOUT THE NATIONAL BROWNFIELDS TRAINING CONFERENCE**

ICMA is the lead non-federal co-sponsor of the conference tasked with managing the logistics, educational content, and marketing of the conference.

If changes are made to this solicitation, notifications will be sent to the primary contact provided to ICMA from each Respondent.

**Proprietary Information** - Careful consideration should be given before confidential information is submitted to ICMA as part of your proposal. Review should include whether it is critical for evaluating a proposal, and whether general, non-confidential information, may be adequate for review purposes. Information submitted to ICMA that the Respondent wishes to have treated as proprietary and confidential trade secret information, should be identified and labeled "Confidential" or "Proprietary" on each page at the time of disclosure. This information should include a written request to except it from disclosure, including a written statement of the reasons why the information should be excepted. ## 1. SERVICES PROVIDED

### 1.1 Statement of Work.

(a) Contractor will provide professional services (the Services) as specified in the statement of work (Statement of Work) agreed to by the Parties from time to time. Together, these Terms and Conditions and the Statement of Work shall constitute the Agreement. A Change Order must be in writing and signed by both Parties in order to be effective. The procedure for creating a Change Order is as follows: (a) Either Party shall submit a written request to the other Party specifying the additions or modifications to the Statement of Work desired (the Change Notice); (b) after the exchange of such Change Notice, the Contractor shall submit a change order proposal (the Change Order) to ICMA which shall include a description of the work, any additional fees and any changes to the delivery dates. (b) Replacement of personnel. In the event that any personnel performing Services hereunder are found to be unacceptable to ICMA for any reason, ICMA shall notify Contractor in writing, and Contractor shall, at ICMA's request, either provide a qualified replacement or take appropriate corrective action. Contractor agrees to provide ICMA with written notification two weeks before replacing any project personnel. Two weeks advance notice is not required where immediate termination is clearly necessary to protect the interest of the project. However, in such cases, Contractor shall notify ICMA promptly. In all cases, ICMA must approve in writing changes to any personnel assigned to perform work under this Agreement.

(c) No payment for training. In the event that Contractor provides replacement personnel for any reason, Contractor shall not charge ICMA for the time required to train the replacement until such personnel are familiar with the particular project and all work done prior thereto, so that such replacement personnel are capable of performing the Services as efficiently as the replaced personnel at the time of departure.

1.3 Subcontractors. Contractor agrees that in the event it hires or works with any subcontractor to perform any of the Services under the Agreement, Contractor shall ensure that such subcontractors are bound by the terms of this Agreement, including, where necessary, executing an addendum to existing contracts between Contractor and subcontractor. In the following situations, Contractor shall also perform and verify a credit check on Contractor and any Personnel: where the position involves fiscal responsibilities or access to confidential or sensitive information; where the work to be performed requires access to ICMA's networks, equipment, and/or facilities; or where Contractor and any Personnel's access or work is similar to that of ICMA employees.

In the event that Contractor has not performed a Background Check on Contractor or its Personnel proposed for assignment to work in or on ICMA's premises (or that any Background Check(s) performed by Contractor are not satisfactory to ICMA) Contractor agrees that: (i) ICMA may perform the Background Check at its own expense and (ii) Contractor and any Contractor Personnel who do not consent to the required Background Check will not be permitted to perform services on ICMA's premises. In the event that ICMA determines, subject to applicable law, based upon a review of the Background Check materials, that the proposed Personnel do not meet ICMA's minimum acceptable standards, Contractor agrees that such Personnel shall not perform services for ICMA and Contractor shall supply other Personnel for ICMA's consideration. In the event Contractor fails the Background Check, ICMA may terminate this Project Agreement.

ICMA shall own all right, title and interest in the Work Product. Contractor agrees that the Work Product is a "work made for hire" for ICMA under Section 101 of Title 17 of the United States Code as it now stands or as later amended. If the Work Product is deemed not to be a "work made for hire," Contractor does hereby sell, transfer, assign and deliver to ICMA and its successors and assigns forever, all of Contractor's right, title and interest, including all copyright interest, in the Work Product, in all forms, including, but not limited to, written or electronic form. In order to effectuate the ownership provision of this Agreement, Contractor shall obtain from any subcontractors, in substantially the form attached hereto as Exhibit A, an assignment of all right, title and interest in and to the Work Product, including all copyrights, created by subcontractors in favor of ICMA. Contractor and subcontractor shall promptly take any actions that ICMA may reasonably request in connection with this assignment.

**2.2 Contractor Property.** Notwithstanding the foregoing, Contractor shall retain sole and exclusive ownership of and all right, title and interest in all intellectual property of Contractor existing prior to Contractor's performance of the Services. In addition, nothing herein is intended to restrict Contractor's right to use any and all ideas, concepts, expertise, know-how and learnings Contractor may discover, acquire or develop during the provision of Services which is of general application and does not contain any ICMA Confidential Information or other ICMA-specific information (all of the foregoing the Contractor Property). To the extent the Work Product contains Contractor Property or requires the use of Contractor Property, Contractor grants to ICMA (including ICMA contractors and grantees) the irrevocable, perpetual, nonexclusive, worldwide, royalty-free, paid-up right and license for ICMA's business purpose to use, execute, reproduce, display, perform, modify, and distribute copies of such Contractor Property, as reasonably required in conjunction with ICMA's business.

**2.3 Third-Party Licenses.** To the extent the Work Product contains third-party intellectual property, Contractor agrees to obtain on behalf of ICMA an irrevocable, perpetual, nonexclusive, worldwide right and, where possible, royalty-free license to use the third-party intellectual property. If Contractor is unable to obtain such a license, Contractor shall inform ICMA in writing.

**2.4 Infringing Work Product.** If the Work Product becomes, or in Contractor's reasonable opinion is likely to become, the subject of any claim or action, then Contractor shall either, at Contractor's election: (a) procure for ICMA the right to continue using the Work Product as contemplated hereunder; (b) modify, subject to ICMA's written consent, the Work Product to render same non-infringing (provided such modification does not adversely affect ICMA's use as determined by ICMA); or (c) subject to ICMA's written consent, replace same with equally suitable, functionally equivalent, compatible non-infringing Work Product. If none of the foregoing is commercially reasonable or acceptable to ICMA, ICMA shall have the right to terminate and Contractor shall be considered to have materially breached this Agreement. Upon such termination, and without waiver of any other rights and remedies available to ICMA, Contractor shall refund to ICMA all amounts paid by ICMA for any nonconforming Work Product.

### **3. PAYMENTS**

**3.1 Payment Terms.** Subject to the payment schedule set forth in the Statement of Work, ICMA will make payments within thirty (30) days from the date on which ICMA receives a complete invoice. To be complete, invoices must be submitted by e-mail to **TBD** with a copy to **[INSERT NAME and email]**, and must contain at least the following information:

- description of services;
- fees;
- expenses with receipts attached, if applicable; and
- any other information required by the Agreement.

Contractor's failure to remit a complete invoice will postpone the date for ICMA's payment accordingly. If ICMA

disputes an invoice, ICMA will notify Contractor of the dispute within thirty (30) days of the date on which ICMA receives the invoice.

#### **4. TERM AND TERMINATION**

4.1 Term. These Terms and Conditions shall go into effect on the Effective Date and shall terminate on **TERMINATION DATE** (Termination Date).

4.2 Material Breach Termination. If either Party is in material breach of any of its obligations under either the Terms and Conditions or the Statement of Work, the other Party may give written notice of termination (First Notice), and, unless the breaching Party cures such material breach within fifteen (15) days after its receipt of the First Notice, the notifying Party shall have the right to terminate the Agreement effective immediately upon delivery of written final notice of termination. Termination of the Terms and Conditions operates as a termination of the Agreement. Termination of the Agreement hereunder shall not relieve either Party of any obligations that had accrued through the effective date of the termination.

4.3 Non-Breach Termination. Either Party may at any time and without cause terminate this Agreement in full by giving thirty (30) days written notice of termination to the other Party.

4.4 Payment at Termination. Upon non-breach termination of the Agreement, ICMA shall pay Contractor for all Services rendered under the Statement of Work prior to the date of termination, and Contractor shall provide to ICMA any completed or in-progress Work Product. If Contractor terminates, Contractor shall cooperate with and shall pay ICMA for any reasonable costs of transitioning the Services to a new Contractor. ICMA shall use reasonable efforts to secure a new Contractor.

#### **5. CONFIDENTIALITY**

5.1 Confidential Information. The Parties acknowledge that it will be necessary for each of them to disclose or make available to each other both verbal information and materials in hard copy, digital or electronic form (collectively, the Confidential Information) that may be confidential or proprietary or may contain valuable trade secrets, and that such information may already have been disclosed prior to the Effective Date. All information which Contractor or its employees receives from ICMA in connection with the Services (for example, all information related to ICMA's finances, accounting, human resources, grantees, charitable projects, prospects and donors) shall be considered ICMA's Confidential Information. All information Contractor designates in writing as confidential shall be considered Contractor's Confidential Information. All Confidential Information made available hereunder, including copies thereof, shall be returned or destroyed upon the written request of the disclosing Party.

5.2 Non-Disclosure. Each of the Parties agrees: (a) to use commercially reasonable efforts to protect the Confidential Information of the other Party from unauthorized use or disclosure and to use at least the same degree of care with regard thereto as it uses to protect its own Confidential Information of a like nature, including advising employees of the confidentiality obligations imposed on such employees by this section; (b) to use and reproduce the Confidential Information of the other Party only as permitted under this Agreement or as needed to perform its duties hereunder; and (c) not to disclose or otherwise permit access to the Confidential Information of the other Party to any third party, without the other Party's prior written consent.

5.3 Exceptions. Confidential Information does not include information that: (a) is already, or otherwise becomes, publicly known by third parties as a result of no act or omission of the receiving Party; (b) is lawfully received, after disclosure hereunder, from a third party having the right to disseminate the information without restriction in disclosure; or (c) can be shown by the receiving Party to have been independently developed by such Party prior to the execution of this Agreement. Any Party asserting that information is not Confidential Information by virtue of any of (a) through (c) hereof shall have the burden of proof on such issue.

5.4 Injunctive Relief. The Parties agree that any breach by either Party or any of its officers, directors, or employees of any provisions of this Section may cause immediate and irreparable injury to the other Party and that, in the event of such breach, the injured Party will be entitled to seek injunctive relief as well as any and all other remedies available at law or in equity.

5.5 Judicial/Legal Request. If either Party receives a subpoena or other validly issued administrative or judicial process requesting Confidential Information of the other Party (Legal Request), it shall provide prompt notice to the other of such receipt so that Party may seek to obtain a protective order requiring that the Confidential Information not be disclosed. If the other Party fails to obtain a protective order, or chooses not to pursue one, the Party receiving the Legal Request shall thereafter be entitled to comply with it to the extent permitted by law. The receiving Party shall nevertheless use reasonable efforts to minimize such disclosure.

(b) Contractor represents and warrants that: (i) it has and will have all rights, titles, licenses, permissions and approvals necessary to perform its obligations under this Agreement; (ii) any intellectual property, in whole or in part, provided, created or used by it and/or its subcontractors, if any, under this Agreement, does not and will not infringe, violate or in any manner contravene or breach any patent, trademark, copyright, license or other property or proprietary right of any third party, or constitute the unauthorized use or misappropriation of a trade secret of any third party (collectively, Unauthorized Use); (iii) Contractor has received no claims or charges of Unauthorized Use; and (iv) Contractor has no reason to believe that its use under this Agreement of any such intellectual property, in whole or in part, will constitute an Unauthorized Use.

(d) Contractor represents and warrants that the Work Product shall not knowingly contain any computer code (i) designed to disrupt, disable, harm, or otherwise impede in any manner, including aesthetical disruptions or distortions, the operation of the Work Product, or any of ICMA's other computer systems which include associated software, firmware, hardware, computer system or network (sometimes referred to as "viruses" or "worms"), (ii) that would disable the Work Product or computer systems or impair in any way its

operation based on the elapsing of a period of time, exceeding an authorized number of copies, advancement to a particular date or other numeral (sometimes referred to as "time bombs", "time locks", or "drop dead" devices) or (iii) that would permit ICMA to access the Work Product or computer systems to cause such disablement or impairment (sometimes referred to as "traps", "access codes" or "trap door" devices), or any other similar harmful, malicious or hidden procedures, routines or mechanisms which would cause such programs to cease functioning or to damage or corrupt data, storage media, programs, equipment or communications, or otherwise interfere with operations.

6.2 ICMA Warranties. ICMA represents and warrants that there is no outstanding contract, commitment or agreement to which ICMA is a party, or legal impediment of any kind known to ICMA, which conflicts with this Agreement or might limit, restrict or impair the rights granted hereunder.

7.3 Claim Procedures. To receive the foregoing indemnities, the Party seeking indemnification must notify the other in writing as soon as reasonably practicable of a claim or suit and provide reasonable cooperation and full authority to defend or settle the claim or suit. The indemnifying Party shall be entitled to control the handling of any such claim and to defend or settle any such claim, in its sole discretion, with counsel of its own choosing, provided however that any settlement of a claim other than one that contains a full release of all claims and liabilities of the indemnified Party requires the prior written consent of the indemnified Party, which consent shall not be unreasonably withheld.

**8. LIMITATION OF LIABILITY: NEITHER PARTY WILL HAVE ANY LIABILITY TO THE OTHER PARTY OR TO ANY OTHER PERSON OR ENTITY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, LOST PROFITS OR OTHER SIMILAR DAMAGES PURSUANT TO THIS AGREEMENT OR ANY STATEMENT OF WORK, EVEN IF THE POSSIBILITY OF SUCH DAMAGES COULD HAVE BEEN FORESEEN BY SUCH PARTY. NOTWITHSTANDING ANY CONTRARY PROVISION HEREOF, INCLUDING SECTION 7 (INDEMNIFICATION), UNLESS THE RESULT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, IN NO EVENT SHALL ICMA'S**

**10. DISPUTES**

10.1 Dispute Resolution. The Parties shall endeavor to settle all claims, controversies, or disputes arising out of or relating to this Agreement involving threatened, alleged, or actual breach of the Agreement, including without limitation, any claim, controversy, or dispute concerning any determination, negotiation, or agreement to be reached by the Parties under this Agreement (hereinafter, the "Dispute") by alternative dispute resolution under the then applicable current rules of the American Arbitration Association (hereinafter,

“AAA”) procedure in effect on the date of this Agreement. Unless otherwise agreed, the Parties will select one single arbitrator. The costs of the arbitration shall be shared equally between the parties, except that each party shall be responsible for its own attorneys’ fees and costs in preparing and presenting its case. Any dispute which remains unresolved thirty (30) days after the appointment of an arbitrator shall be settled by binding arbitration by a sole arbitrator in accordance with applicable AAA rules in effect on the date of this Agreement. The arbitration shall be governed by the Federal Arbitration Act, 9 U. S. C. Section 1-16 to the exclusion of state laws inconsistent therewith, and judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction thereof. ## **11. GENERAL**

11.1 **Independent Contractors.** Contractor is an independent contractor for ICMA, and no partnership, joint venture or employee-employer relationship is intended or created by this Agreement. Neither Party shall have the power to obligate or bind the other Party. ICMA acknowledges that Contractor retains the right to control the details of the work. Contractor fully accepts the responsibility to determine how and by whom the work will be done and acknowledges that personnel supplied by Contractor shall work exclusively for Contractor and shall not, for any purpose, be considered employees or agents of ICMA. Contractor agrees that all such personnel shall be informed that they are employees or contractors solely of Contractor (or of a subcontractor if applicable) and not entitled to benefits (including, without limitation, fringe benefits such as medical or dental insurance, workers’ compensation, disability income, social security taxes and benefits, federal unemployment compensation taxes, state unemployment insurance benefits and federal income tax withholding) normally provided to ICMA employees. Contractor assumes full responsibility for the acts of such personnel while performing services hereunder and shall be solely responsible for their supervision, direction and control. Contractor is responsible for providing the necessary office space, equipment, supplies and other facilities in connection with the performance of the work set forth in the Statement of Work. Nothing contained in this Agreement shall be construed to discourage or prohibit Contractor from providing services to or soliciting business from clients in addition to ICMA.

11.2 **ICMA Policies.** Contractor has access to, read and agrees to abide by [ICMA’s Code of Conduct](#). Contractor agrees that any and all violations of this provision shall constitute a material breach of this Agreement.

11.3 **No Use of ICMA Name for Marketing.** Contractor agrees not to use the names, logos or any other marks owned by or associated with ICMA for marketing or advertising purposes, or on any form of publicity (including in Contractor’s publicly distributed client lists, on Contractor’s Web site or in any of Contractor’s other promotional materials) without the prior written consent of ICMA in each instance.

11.4 **Governing Law.** The courts in the District of Columbia will have exclusive jurisdiction over any and all disputes arising out of, or in any way related to this Agreement, and Contractor shall submit to the personal jurisdiction of those courts. The laws of the District of Columbia shall apply to any such disputes without regard to any conflict of law principles.

11.5 **Amendment.** Any changes made to this Agreement, including the Statement of Work, whether initiated by Contractor or ICMA, will be effective only if documented by both parties in writing.

10.6 **Assignment.** Notwithstanding any provision in this Agreement to the contrary, ICMA may assign all or any part of its right, title and interest in this Agreement, provided ICMA gives notice

to Contractor of any such assignment. Contractor may not assign this Agreement, in whole or in part, without ICMA's prior written consent.

11.7 No Third-Party Benefit. The provisions of this Agreement are for the sole benefit of the Parties hereto. This Agreement confers no rights, benefits, or claims upon any person or entity not a Party hereto.

11.8 Complete Agreement. This Agreement is the Parties' final and binding expression of their agreement and the complete and exclusive statement of its terms. This Agreement cancels, supersedes and revokes all prior negotiations, representations and agreements between the Parties, whether oral or written, relating to the subject matter of this Agreement.

11.9 Headings and Subsections. Section headings are provided for reference and do not constitute part of this Agreement.

11.10 Construction. For purposes of construction, to the extent any provision of the Statement of Work conflicts with these Terms and Conditions, the Terms and Conditions shall govern unless otherwise set forth in writing in the Statement of Work.

11.11 Construction in Favor of Joint Drafters. If an ambiguity or question of intent arises with respect to any provision of this Agreement, the Agreement will be construed as if drafted jointly by the Parties and no presumption or burden of proof will arise favoring or disfavoring either Party by virtue of authorship of any of the provisions of this Agreement.

11.12 Severability; No Waiver. If any provision of this Agreement is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force without being impaired or invalidated in any way. The Parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision. The waiver by either Party of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach.

11.13 Force Majeure. Either Party shall be excused from performance and shall not be liable for any delay, in whole or in part, caused by the occurrence of any contingency beyond the reasonable control either of the excused Party or its subcontractors or suppliers including, but not limited to, terrorism, war, sabotage, insurrection, riot or other act of civil disobedience, act of public enemy, failure or delay in transportation, act of any government or any agency or subdivision thereof affecting the terms hereof, accident, fire, explosion, flood, severe weather or other act of God, or shortage of labor or fuel or raw materials.

11.14 Contractor's Authority. Contractor represents and warrants that (a) it has the corporate, statutory or other power and authority to enter into this Agreement and to perform its obligations hereunder; (b) the person who executes this Agreement on behalf of Contractor has the necessary authority to bind Contractor; and (c) neither the execution and delivery of this Agreement, nor the performance of its obligations hereunder, will constitute a violation of, a default under, or conflict with any term of any applicable governance documents such as a certificate of incorporation, bylaws or other agreements to which it is bound.

11.15 Notices. All legal notices, requests and other communications that a Party is required or elects to deliver (not including invoices as described in the "Payment Terms" Section), shall be in writing and shall be delivered personally, or by electronic mail (provided such delivery is confirmed), or by a recognized overnight courier service or by United States mail, first-class, certified or registered,
