

*The Maryland City and County Management Association invites you to attend the annual **MCCMA Spring Conference** at the Rocky Gap Lodge and Golf Resort. Co-hosted this year by the City of Cumberland, and always a great training value, this year serves to be no exception. The Conference will be held from Wednesday, April 30th through Friday, May 2nd and will provide formal training opportunities on two important local government issues: Risk Management and Performance Measurement. There will also be several social activities, informational sessions and the popular “Idea Exchange” to give those attending even more opportunities to network and discuss issues that are critical to their communities. Rocky Gap Lodge and Golf Resort, located east of historic Cumberland is one of the most relaxing conference venues in the State of Maryland and features a Jack Nicklaus signature golf course nestled along Lake Habeeb in the beautiful mountains of Western Maryland, but don't take our word for it, check out their website for yourself!. Bring your family or come alone but come prepared to train and recharge with your colleagues in the MCCMA.*
