

## **Sarasota County, FL: Capital Management Services**

The Capital Management Services (CMS) group, responsible for delivery of capital projects across each program area with capital needs, has embedded an emphasis on public accountability and transparency into their daily operations via a website that reports the status of each project. The information displayed, updated on a monthly basis, and includes detailed information on financial status and schedule. (<http://www.scgov.net/cipmap/cipmap.aspx>)
