Health Care Reform: Public Exchanges – Impacts and Readiness

Please join us on Wednesday June 5 from 1:00 – 2:00 p.m. EST for a complimentary Health Care Reform web meeting.

In this interactive web session, Kathy Vaccaro, who leads our Health Care Reform efforts, and Ray Smithberger, who leads our Individual and Family Plans organization, will brief you on the public Exchanges. Open enrollment for this new health insurance marketplace starts on October 1, which is rapidly approaching.

During the web meeting, we will:

- Focus on operational readiness and impacts on insurers, employers and individuals
- Highlight the most significant developments, including roles for brokers
- Review Cigna's position and plans for public Exchange participation

Our insights and examples will help you understand this swiftly changing marketplace, and how it may affect you and your business.

As always, there will be plenty of time to answer your questions – and to be sure we address your most pressing concerns, we're offering you the opportunity to submit them when you register.

Register now – it's easy!
