Richard Negrin

Showing the world how it's done:

"@jalfordfowler: **#occupyphilly** now has a permit. Bring on the dialogue." Let's keep working together!

What's Your AQ?

JUN 27 Posted by [richnegrin](#)

Philadelphia is a tough town. That's one of the things I love about it. It's a great blue collar, bring your lunch-pail, roll your sleeves up and get things done kind of town. For an old offensive lineman like me, that is very appealing. Maybe that is why one of our fictional heroes, Rocky Balboa, resonates so well with people.

Rocky's greatest asset was his toughness. That is why the night before his fight with Apollo Creed we hear Rocky, in a quiet moment, express both great self-awareness and his signature toughness when he says, "no one has ever gone the distance with Creed." At that point, you just knew that he would do whatever he could to go the distance. There is a great deal of discussion about IQ and EQ in the workplace. AQ (Adversity Quotient) is generally ignored and can be one of the great indicators of success. Rocky had great AQ.

As a kid I can remember the frequent use of the word "tough." Whether it was used to describe a
