WHAT DO YOU THINK?

What do you think are the key factors companies use to determine their next steps?

What is their process?

Site Selection Screening

Local Government Role

Community “Brand” and Messaging
Infrastructure – Tending the Garden

Fostering Partnerships

Request for Proposal Information

Site Visit

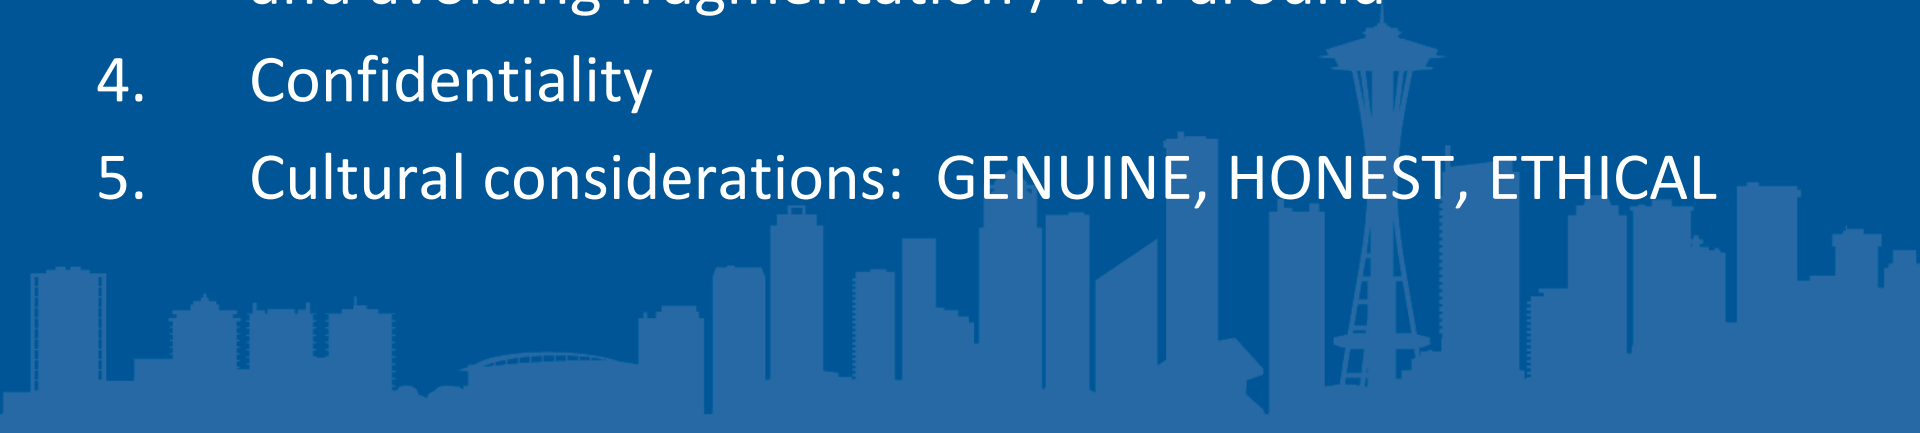

Negotiations

Closing the Deal

THE BUSINESS CASE HAS TO BE SOLID!

Key factors used by companies and/or site selectors:

1. Speed to market – how soon can they be up and running?
 2. Stability and predictability
 3. “One Voice” for the community – single point of contact and avoiding fragmentation / run-around
 4. Confidentiality
 5. Cultural considerations: GENUINE, HONEST, ETHICAL
- 
- A silhouette of a city skyline is visible at the bottom of the slide, featuring various building shapes and the prominent Space Needle tower on the right side.

WHAT HAVE WE DONE

“Ready Team” – Formalized Partnerships within
the Community

Focus on Customer Needs – whether for
recruitment of new business or
retention/expansion of existing business

Defining who we are as a community and where
we want to go

Adaptability

A silhouette of a city skyline is visible at the bottom of the slide, featuring various building shapes and a prominent tower with a spire. The skyline is rendered in a lighter shade of blue against the dark blue background.

THINGS CHANGE

Adapting to a changing atmosphere, and being fluid in responding to client needs
