

Special Appreciation

Special appreciation is due to the Mayor and the members of the Board of Commissioners, who on August 20, 2002 enacted Ordinance 2002-19 restructuring the water and sewer rates and placing a priority on becoming self-sufficient in the provision of water to our residents.

Special appreciation is also extended to Mr. Juan Cruz, Public Services Director, whose extra efforts allowed his staff and the City Manager to have the time needed to prepare this report. Without his efforts this report would not have been possible.
