

# Local Government Managers

## Earn Your ICMA Credentialed Manager (ICMA-CM) Designation

Demonstrate your commitment to continuous learning and help build awareness of the skills and experience required of the Local Government Manager profession by earning the ICMA Credentialed Manager (ICMA-CM) designation!

The ICMA-CM is a voluntary credentialing program that recognizes Local Government Managers that have achieved a significant combination of education and local government leadership experience and have committed to continuing professional development.

The benefits of participating in the ICMA-CM program include:

- Recognition as a professional local government manager
- Supporting building awareness of the unique skills and experience required of Local Government Managers
- Demonstration of commitment to lifelong learning
- A structured but flexible framework for professional development focusing on the core competencies ICMA has determined to be essential to local government management
- Eligibility for special training and programs, such as the ICMA Gettysburg and ICMA SEI Leadership Institutes and the Legacy Leaders Program

Entry into the program is simple and open to all qualified ICMA members: just a short and low-cost application process. The program's training commitments can be met within the 40 hours per year requirement of the ICMA Code of Ethics.

California Consortium  
A State Affiliate of ICMA

**Receive recognition for your professional development!**

*If you are a Local Government Manager in California who engages in professional development and learning opportunities, then ICMA's Credentialing Program will be an easy and natural fit for you and a benefit to your career and the profession as a whole. Many Local Government Managers do not realize they are already meeting the main requirements of the program. So why not take credit for your commitment to professional development and continuous learning, while also helping build awareness within our communities about the important role of the Local Government management profession to improve our local communities?*
