#### B. Select your membership category

Full (voting) membership is for managers/administrators who serve in professional positions in all forms of local government as well as those senior staff who report to those managers and who have "significant general administrative responsibility."

Manager/Administrator: ICMA has established six criteria (see below) that determine whether a professional management position has been established that gives the manager or chief administrative officer (CAO) the level of independence, authority, and responsibility necessary to function in a professional manner. If your position meets all six criteria, you are eligible for Full membership.

Senior staff: Staff with broad management responsibility (e.g. assistant and deputy managers/CAOs) who report to a CAO whose position meets the criteria below are eligible for Full membership. You must affirm that you occupy a position with "significant general administrative responsibility."

Full (voting) member applicants are announced in Leadership Matters, member edition, as required by ICMA's Constitution. Current voting members have 60 days to file a written objection to an application for Full membership. Should an objection be raised, the candidate for membership will be notified and informed of the appeals process. If no objections are filed, the individual will be considered a Full member at the end of the 60-day period.

| Criteria for Full Membership for CAO (Mark N/A if a criterion is not applicable.)  |
|--|
| 1. <b>APPOINTMENT:</b> I occupy a position that is appointed by an elected representative or representatives and is directly responsible to an elected representative and/or representatives.  |
| 2. <b>POLICY FORMULATION:</b> I have significant responsibility in the development and analysis of public policy alternative and in the implementation of policy once adopted. (This means I develop public policy alternatives and recommendation for consideration by elected officials and have access to the council and work with its members.)   |
| 3. BUDGET: I have major responsibility for the preparation and administration of the operating and capital improvements budget.  |
| 4. <b>APPOINTING AUTHORITY:</b> I exercise significant influence in the appointment of the key management personnel of the local government and particularly the appointment of the administrative and financial staff. (In other words, I have the authority to recommend the appointment of department heads and appoint a sufficient share of the management staff to control budget preparation and administration.)   |
| 5. <b>ORGANIZATIONAL RELATIONSHIPS:</b> I am recognized within the local government organization as the principal general management professional and have a continuing direct relationship with the operating department heads on the implementation and administration of the programs. (I also have direct supervision over department heads, and, at a minimum, my overall management responsibility includes the status of first peer among administrative peers.)  |
| 6. <b>QUALIFICATIONS:</b> I was appointed to the position based on my education and experience and on my qualifications to perform the duties and responsibilities of the position as defined by ICMA's Practices for Effective Local Government Leadership. (This criterion means that you have been chosen on merit, have significant administrative experience and educational background, and will fulfill the requirement of Tenet 7 of the Code of Ethics to remain politically neutral. It excludes the strictly "political" appointment. However, it doesn't mean that you must have local government experience.) |
| ou are eligible for Affiliate (non-voting) membership if you serve in an appointed position in local government that does not meet th riteria. Most CAOs and assistant/deputy CAOs are eligible for Full membership and may not apply for Affiliate membership.*   |

# **CODE OF ETHICS WITH GUIDELINES**

The ICMA Code of Ethics was adopted by the ICMA membership in 1924, and most recently amended by the membership in June 2018. The Guidelines for the Code were adopted by the ICMA Executive Board in 1972, and most recently revised in June 2018.

The mission of ICMA is to advance professional local government through leadership, management, innovation, and ethics. To further this mission, certain principles, as enforced by the Rules of Procedure, shall govern the conduct of every member of ICMA, who shall:

**TENET 1.** Be dedicated to the concepts of effective and democratic local government by responsible elected officials and believe that professional general management is essential to the achievement of this objective.

**TENET 2.** Affirm the dignity and worth of the services rendered by government and maintain a constructive, creative, and practical attitude toward local government affairs and a deep sense of social responsibility as a trusted public servant.

#### **GUIDELINE**

Advice to Officials of Other Local Governments. When members advise and respond to inquiries from elected or appointed officials of other local governments, they should inform the administrators of those communities.

**TENET 3.** Demonstrate by word and action the highest standards of ethical conduct and integrity in all public, professional, and personal relationships in order that the member may merit the trust and respect of the elected and appointed officials, employees, and the public.

#### **GUIDELINES**

Public Confidence. Members should conduct themselves so as to maintain public confidence in their position and profession, the integrity of their local government, and in their responsibility to uphold the public trust.

<u>Influence.</u> Members should conduct their professional and personal affairs in a manner that demonstrates that they cannot be improperly influenced in the performance of their official duties.

Length of Service. For chief administrative/executive officers appointed by a governing body or elected official, a minimum of two years is considered necessary to render a professional service to the local government. In limited circumstances, it may be in the best interests of the local government and the member to separate before serving two years. Some examples include refusal of the appointing authority to honor commitments concerning conditions of employment, a vote of no confidence in the member, or significant personal issues. It is the responsibility of an applicant for a position to understand conditions of employment, including expectations of service. Not understanding the terms of employment prior to accepting does not justify premature separation. For all members a short tenure should be the exception rather than a recurring experience, and members are expected to honor all conditions of employment with the organization.

Appointment Commitment. Members who accept an appointment to a position should report to that position. This does not preclude the possibility of a member considering several offers or seeking several positions at the same time. However, once a member has accepted a formal offer of employment, that commitment is considered binding unless the employer makes fundamental changes in the negotiated terms of employment.

<u>Credentials.</u> A member's resume for employment or application for ICMA's Voluntary Credentialing Program shall completely and accurately reflect the member's education, work experience, and personal history. Omissions and inaccuracies must be avoided.

<u>Professional Respect.</u> Members seeking a position should show professional respect for persons formerly holding the position, successors holding the

position, or for others who might be applying for the same position. Professional respect does not preclude honest differences of opinion; it does preclude attacking a person's motives or integrity.

Reporting Ethics Violations. When becoming aware of a possible violation of the ICMA Code of Ethics, members are encouraged to report possible violations to ICMA. In reporting the possible violation, members may choose to go on record as the complainant or report the matter on a confidential basis.

<u>Confidentiality.</u> Members shall not discuss or divulge information with anyone about pending or completed ethics cases, except as specifically authorized by the Rules of Procedure for Enforcement of the Code of Ethics.

Seeking Employment. Members should not seek employment for a position that has an incumbent who has not announced his or her separation or been officially informed by the appointive entity that his or her services are to be terminated. Members should not initiate contact with representatives of the appointive entity. Members contacted by representatives of the appointive entity body regarding prospective interest in the position should decline to have a conversation until the incumbent's separation from employment is publicly known.

Relationships in the Workplace. Members should not engage in an intimate or romantic relationship with any elected official or board appointee, employee they report to, one they appoint and/or supervise, either directly or indirectly, within the organization.

This guideline does not restrict personal friendships, professional mentoring, or social interactions with employees, elected officials and Board appointees.

**TENET 4.** Serve the best interests of the people.

#### **GUIDELINES**

Impacts of Decisions. Members should inform their governing body of the anticipated effects of a decision on people in their jurisdictions, especially if specific groups may be disproportionately harmed or helped.

<u>Inclusion.</u> To ensure that all the people within their jurisdiction have the ability to actively engage with their local government, members should strive to eliminate barriers to public involvement in decisions, program, and services.

**TENET 5.** Submit policy proposals to elected officials; provide them with facts and advice on matters of policy as a basis for making decisions and setting community goals; and uphold and implement local government policies adopted by elected officials.

#### **GUIDELINE**

<u>Conflicting Roles.</u> Members who serve multiple roles – working as both city attorney and city manager for the same community, for example – should avoid participating in matters that create the appearance of a conflict of interest. They should disclose the potential conflict to the governing body so that other opinions may be solicited.

**TENET 6.** Recognize that elected representatives of the people are entitled to the credit for the establishment of local government policies; responsibility for policy execution rests with the members.

**TENET 7.** Refrain from all political activities which undermine public confidence in professional administrators. Refrain from participation in the election of the members of the employing legislative body.

#### **GUIDELINES**

**Elections of the Governing Body.** Members should maintain a reputation for serving equally and impartially all members of the governing body of the local government they serve, regardless of party. To this end, they should not participate in an election campaign on behalf of or in opposition to candidates for the governing body.

**Elections of Elected Executives.** Members shall not participate in the election campaign of any candidate for mayor or elected county executive.

Running for Office. Members shall not run for elected office or become involved in political activities related to running for elected office, or accept appointment to an elected office. They shall not seek political endorsements, financial contributions or engage in other campaign activities.

**Elections.** Members share with their fellow citizens the right and responsibility to vote. However, in order not to impair their effectiveness on behalf of the local governments they serve, they shall not participate in political activities to support the candidacy of individuals running for any city, county, special district, school, state or federal offices. Specifically, they shall not endorse candidates, make financial contributions, sign or circulate petitions, or participate in fundraising activities for individuals seeking or holding elected office.

**Elections relating to the Form of Government.** Members may assist in preparing and presenting materials that explain the form of government to the public prior to a form of government election. If assistance is required by another community, members may respond.

Presentation of Issues. Members may assist their governing body in the presentation of issues involved in referenda such as bond issues, annexations, and other matters that affect the government entity's operations and/or fiscal capacity.

Personal Advocacy of Issues. Members share with their fellow citizens the right and responsibility to voice their opinion on public issues. Members may advocate for issues of personal interest only when doing so does not conflict with the performance of their official duties.

**TENET 8.** Make it a duty continually to improve the member's professional ability and to develop the competence of associates in the use of management techniques.

#### **GUIDELINES**

<u>Self-Assessment</u>. Each member should assess his or her professional skills and abilities on a periodic basis.

<u>Professional Development</u>. Each member should commit at least 40 hours per year to professional development activities that are based on the practices identified by the members of ICMA.

**TENET 9.** Keep the community informed on local government affairs; encourage communication between the citizens and all local government officers; emphasize friendly and courteous service to the public; and seek to improve the quality and image of public service.

**TENET 10.** Resist any encroachment on professional responsibilities, believing the member should be free to carry out official policies without interference, and handle each problem without discrimination on the basis of principle and justice.

#### GUIDELINE

<u>Information Sharing.</u> The member should openly share information with the governing body while diligently carrying out the member's responsibilities as set forth in the charter or enabling legislation.

**TENET 11.** Handle all matters of personnel on the basis of merit so that fairness and impartiality govern a member's decisions, pertaining to appointments, pay adjustments, promotions, and discipline.

#### **GUIDELINE**

Equal Opportunity. All decisions pertaining to appointments, pay adjustments, promotions, and discipline should prohibit discrimination because of race, color, religion, sex, national origin, sexual orientation, political affiliation, disability, age, or marital status.

It should be the members' personal and professional responsibility to actively recruit and hire a diverse staff throughout their organizations.

**TENET 12.** Public office is a public trust. A member shall not leverage his or her position for personal gain or benefit.

#### **GUIDELINES**

<u>Gifts.</u> Members shall not directly or indirectly solicit, accept or receive any gift if it could reasonably be perceived or inferred that the gift was intended to influence them in the performance of their official duties; or if the gift was intended to serve as a reward for any official action on their part.

The term "Gift" includes but is not limited to services, travel, meals, gift cards, tickets, or other entertainment or hospitality. Gifts of money or loans from persons other than the local government jurisdiction pursuant to normal employment practices are not acceptable.

Members should not accept any gift that could undermine public confidence. De minimus gifts may be accepted in circumstances that support the execution of the member's official duties or serve a legitimate public purpose. In those cases, the member should determine a modest maximum dollar value based on guidance from the governing body or any applicable state or local law.

The guideline is not intended to apply to normal social practices, not associated with the member's official duties, where gifts are exchanged among friends, associates and relatives.

Investments in Conflict with Official Duties. Members should refrain from any investment activity which would compromise the impartial and objective performance of their duties. Members should not invest or hold any investment, directly or indirectly, in any financial business, commercial, or other private transaction that creates a conflict of interest, in fact or appearance, with their official duties.

In the case of real estate, the use of confidential information and knowledge to further a member's personal interest is not permitted. Purchases and sales which might be interpreted as speculation for quick profit should be avoided (see the guideline on "Confidential Information"). Because personal investments may appear to influence official actions and decisions, or create the appearance of impropriety, members should disclose or dispose of such investments prior to accepting a position in a local government. Should the conflict of interest arise during employment, the member should make full disclosure and/or recuse themselves prior to any official action by the governing body that may affect such investments.

This guideline is not intended to prohibit a member from having or acquiring an interest in or deriving a benefit from any investment when the interest or benefit is due to ownership by the member or the member's family of a de minimus percentage of a corporation traded on a recognized stock exchange even though the corporation or its subsidiaries may do business with the local government.

Personal Relationships. In any instance where there is a conflict of interest, appearance of a conflict of interest, or personal financial gain of a member by virtue of a relationship with any individual, spouse/partner, group, agency, vendor or other entity, the member shall disclose the relationship to the organization. For example, if the member has a relative that works for a developer doing business with the local government, that fact should be disclosed.

Confidential Information. Members shall not disclose to others, or use to advance their personal interest, intellectual property, confidential information, or information that is not yet public knowledge, that has been acquired by them in the course of their official duties.

Information that may be in the public domain or accessible by means of an open records request, is not confidential.

**Private Employment.** Members should not engage in, solicit, negotiate for, or promise to accept private employment, nor should they render services for private interests or conduct a private business when such employment, service, or business creates a conflict with or impairs the proper discharge of their official duties.

Teaching, lecturing, writing, or consulting are typical activities that may not involve conflict of interest, or impair the proper discharge of their official duties. Prior notification of the appointing authority is appropriate in all cases of outside employment.

Representation. Members should not represent any outside interest before any agency, whether public or private, except with the authorization of or at the direction of the appointing authority they serve.

Endorsements. Members should not endorse commercial products or services by agreeing to use their photograph, endorsement, or quotation in paid or other commercial advertisements, marketing materials, social media, or other documents, whether the member is compensated or not for the member's support. Members may, however, provide verbal professional references as part of the due diligence phase of competitive process or in response to a direct inquiry.

Members may agree to endorse the following, provided they do not receive any compensation: (1) books or other publications; (2) professional development or educational services provided by nonprofit membership organizations or recognized educational institutions; (3) products and/or services in which the local government has a direct economic interest.

Members' observations, opinions, and analyses of commercial products used or tested by their local governments are appropriate and useful to the profession when included as part of professional articles and reports.
