Interactivity: Residents of Austin, TX, can review community survey data for the city as a whole...

**Annual Community Survey Dashboard**

**How to use the Community Survey Dashboard:**

The dashboard on the right hand side of the screen is live and dynamic. Feel free to start clicking around and drilling into the data!

**Getting Started:**

1. Using the drop down menu on the left of the dashboard, select a survey question. Hold down the CTRL button while making selections to choose more than one. [Click here for a list of the complete survey questions.]

2. Select the demographics of the groups you are interested in finding out more information. The charts and graphs on the right depending on the
...or select filters by race, gender, income, age, council district, or other criteria to obtain a more granular understanding of performance.
