

Advancing excellence and inclusiveness in local government

ICMA Student Chapters – Student Membership in LGHN

The Local Government Hispanic Network is the leading professional organization for Hispanic and Latino local government professionals and for local governments that serve Hispanic and Latino communities. The purpose of the association is to increase the number of Hispanic/Latino local government professionals in leadership positions, encourage professional excellence among Hispanic/Latino local government administrators, and serve as a resource to all local government professionals working in communities with significant Hispanic/Latino populations.

LGHN sponsors and conducts national and regional networking programs to discuss matters that impact public management and concerns of the Hispanic and Latino community. This is done by linking public, private and academic resources to create an effective network to support professional development and service delivery.

The LGHN board of directors has agreed to waive membership fees for students who are participating in the ICMA University Chapters program. Benefits for student participation include:

- Opportunity to network for future jobs,
- Opportunity to volunteer on LGHN committees as part of their networking,
- Advise the board about students' needs and issues,
- Participation in the LGHN Madrinas y Padrinos coaching program and enhancements to including individual professional development plans, interview training, presentation training, etc.,
- Support for participation in ICMA internship program,
- Access to professionals for theses, dissertations, and other research, including access to LGHN membership for conducting surveys in support of their research, and
- Access to LGHN membership list, quarterly newsletters, events and other program updates.

To apply for membership, please complete the attached application and submit to LGHN so that you can be added to the LGHN membership list.
