

Leadership Development Program Experience Credit

ICMA offers credit for graduation from its leadership development programs as well as credit for approved non-ICMA leadership development programs towards meeting the executive experience requirement for the Voluntary Credentialing Program. Graduation from one of these programs should be indicated on the credentialing application to receive credit.

If you are a state association, university or other organizations would like your program to be considered for experience credit. Please complete the following application and complete the instructions for submission.

Voluntary Credentialing Program Application for Leadership Development Experience Credit

Application form for state associations, universities, and other organizations to request experience “credit” for intensive leadership development programs so that graduates of these leadership programs may pursue the ICMA Credential sooner.

Initial application fee \$195

Annual renewal fee \$65
