The Offeror shall disclose any indictment for any alleged felony, or any conviction for a felony within the past five years, under the laws of the United States or any state or territory of the United States, and shall describe circumstances for each. When a Offeror is an association, partnership, corporation, or other organization, this disclosure requirement includes the organization and its officers, partners, and directors or members of any similarly governing body. If an indictment or conviction should come to the attention of ICMA after the award of a contract, ICMA may exercise its stop-work right pending further investigation, or terminate the agreement.

It is ICMA's Policy that no gifts of any kind and of any value be exchanged between Offerors and ICMA personnel. Discovery of the same will be grounds for disqualification of the Offeror from participation in any ICMA's procurements and may result in disciplinary actions against ICMA personnel involved in such discovered transactions.

Offeror must disclose any financial or organizational interest – as an employee, consultant, business partner, investor, shareholder, borrower, lender, beneficiary, board member or trustee – in an actual or potential competitor, contractor, sub-contractor, customer, client, vendor, donor or recipient of ICMA, that might produce a conflict of interest or the appearance of a conflict of interest should this contract be awarded.
