

Cities don't build statues of the guy who finds the right municipal insurance.

No marble statues. No ticker tape parades. No keys to the city. But, rest assured, that doesn't make your job any less important. As the nation's largest provider of property and casualty insurance for public entities, Travelers offers you the strength and stability you need to protect your community. To find out all the ways we specialize in protecting public entities, large or small, call 800.368.4268, ext. 07915. And, don't worry, you're a hero to us.
